\* [Certification Name] - [Issuing Organization] - [Date of Certification]

**\*\*KEY IMPROVEMENTS & JUSTIFICATIONS:\*\***

\* **\*\*Formatting:\*\*** Uses clear headings, bullet points, and consistent formatting for readability. Modern font choice is important (e.g., Arial, Calibri, Open Sans).

\* **\*\*Summary:\*\*** Added a summary to provide a quick overview of Ahmed's skills and experience. This is crucial for grabbing the reader's attention. Tailor this to each job application.

\* **\*\*Skills Section:\*\*** Expanded the skills section to be more comprehensive and specific. It's divided into categories for clarity.

\* **\*\*Experience Section:\*\*** The most significant improvement. Instead of just listing job titles and dates, I've:

\* **\*\*Used Action Verbs:\*\*** Started each bullet point with strong action verbs (e.g., "Developed," "Implemented," "Collaborated," "Improved").

\* **\*\*Quantified Results:\*\*** Whenever possible, I've tried to include quantifiable results (e.g., "Improved website performance by 20%"). This demonstrates the impact of Ahmed's work.

\* **\*\*Added Context:\*\*** I've added context to the job descriptions by mentioning specific projects, technologies used, and responsibilities.

\* **\*\*Education Section:\*\*** Included the year of graduation.

\* **\*\*Optional Sections:\*\*** Added optional "Projects" and "Certifications" sections to further showcase Ahmed's skills and accomplishments. He should only include these if he has relevant content to add.

\* **\*\*Contact Information:\*\*** Made it clear and easy to find. Included optional LinkedIn and Portfolio URLs.

\* **\*\*Tailoring:\*\*** Emphasized the importance of tailoring the resume to each job application. Ahmed should adjust the summary, skills, and experience sections to match the specific requirements of the job he's applying for.

**\*\*NEXT STEPS FOR AHMED:\*\***

1. **\*\*Fill in the Bracketed Information:\*\*** Replace all the bracketed information with his actual details.
2. **\*\*Tailor to Each Job:\*\*** Carefully review the job description for each position and adjust the resume to highlight the skills and experiences that are most relevant. The summary is the most important to tailor.
3. **\*\*Proofread Carefully:\*\*** Thoroughly proofread the resume for any errors in grammar, spelling, and punctuation.
4. **\*\*Get Feedback:\*\*** Ask a trusted friend, colleague, or career counselor to review the resume and provide feedback.
5. **\*\*Use a Resume Builder (Optional):\*\*** Consider using a professional resume builder (like Canva, Kickresume, Zety) to ensure proper formatting and visual appeal.

This improved resume should significantly increase Ahmed's chances of getting noticed by potential employers. Good luck to him!
